**W**eekly Report is published by the Arizona Game and Fish Department Legislative Affairs Division. During the Legislative Session, we provide a summary of legislation that pertains to the Department. If there are issues you would like to address, please let us know. ## Legislative News:

- Today, June 6<sup>th</sup> the Governor signed HB2643, which was amended with the DUI/OUI provisions that had been struck originally onto HB2395. The new provisions of this bill that will most likely affect this agency are the new OUI penalties, which will not be effective until January 1, 2009.
- The Off-Highway Vehicle (OHV) bill has yet to move from Senate Majority Caucus where it was held approximately a month ago. The Department has spoken with some of the Senate Leadership, and they have yet to be able or willing to give a specific date with regard to putting it back on the calendar.

### *In Congress:*

- Thursday June 5<sup>th</sup> the OHV topic was discussed in Senate Natural Resources where several stakeholders served as expert witness to the damage they cause as well as the necessity for developing strategies to mediate their effects on the land and environment. The witnesses noted the drastic increase in OHV usage in the past decade and the need for legislation to protect land and habitat. There was mention of even OHV users themselves become annoyed with irresponsible use of trails and lack of trail management as they become very difficult to navigate.
- Yesterday in the House subcommittee on National Forest and Public Lands, Representative Grijalva's bill, H.R. 5583 was discussed. No formal mark-up or vote

was taken. The bill's provisions would include a federal land withdraw and mining ban on approximately 1 million acres of land adjacent to the Grand Canyon.

H2010: LEGISLATURE; BILL LIMITATION	Legislators may not introduce more than 10 bills in any session of the Legislature. Chad Campbell		1/14 referred to House <a href="#">gov</a> , <a href="#">jud</a> .

H2042 (Chapter 212): SCHOOLS; EMPLOYEES; SERIOUS CRIMES	A school employee that is arrested for an offense that would preclude the person from receiving a fingerprint clearance card must report the arrest to the person's supervisor or face immediate termination. H2043: FY 07-08 HIRING & PROMOTION FREEZE	Imposes a hiring and promotion freeze on all state budget units for the remainder of the fiscal year. Exceptions for "critical positions." Monthly reports are required from all budget units related to number of vacant positions filled and changes to the salary classification of any employees. Emergency clause. GOVERNOR'S VETO MESSAGE SAID: the bill is "wholly unnecessary" since all executive branch agencies have been under a hiring freeze since her directive issued February 21, 2008. The judicial branch and state universities have likewise instituted policies to restrict hiring. She said the bill was an unwarranted intrusion into the constitutionally protected separation of powers among the three branches of government. A similar change for the clean elections fund failed to obtain the required 3/4 majority vote to change language of a voter-approved initiative, and that change is not enacted. Also, language permitting the Dept of Revenue to charge the recipient agencies an initial administrative fee to set up the various check-off funds is deleted. Effective January 1, 2009.
